

# 70th Anniversary Art Project – A Community Celebration

The **70th Anniversary of Hope Services** calls for collective celebration. Together with each one of you, we want to capture the essence of these 7 decades and what better way to have that come to life than with a multi-media art project made by our clients and staff featuring:

- A 6' x 6' artwork featuring Hope's 70th anniversary logo in the center of the quilt using woven fabric created by the HopeSTUDIO weavers on their looms.
- Photos of Hope Services clients from different programs and counties.
- Words provided to us by clients embroidered on fabric describing how Hope serves them.
- **YOUR NAME, DEDICATION OR COMPANY LOGO** printed on fabric and hung along the borders of the quilt "clothesline style"
- Upon completion, the artwork will travel to different Hope Services locations in 2023, before arriving at our headquarter in San Jose for a permanent installation.

## HopeSTUDIO

HopeSTUDIO facilitates creative activities that develop clients' social, motor, and life skills. As Hope's growing center for weaving and textile creation, your contribution ensures adequate supplies, staff support, and access to craft fairs, where clients can learn and earn extra income.

***"This project has provided a wonderful opportunity for HopeSTUDIO clients to showcase their skills as paid artists. They were thrilled to have the opportunity to support Hope on a project that will forever be part of our 70th Anniversary celebration."***
